

Renew Checked-out Items

You can renew items (extend the items' due date) from your list of items currently checked out up to two times if no one else is waiting for the items. If you would like to renew all items that you have checked out, select "Renew All." To renew selected items, check the box in the "Renew" column next to the items you'd like to renew, then select "Renew Marked."

If an item can't be renewed, you will see one of the following messages:

- RENEW NOT ALLOWED - Renewals are not allowed on this item
 - TOO SOON TO RENEW - Generally, for items checked out for 3 weeks, renewals are allowed 10 days after the original check-out date. For 1 week items, renewals are allowed after 3 days, and for 2 week items, after 7 days.
 - TOO MANY RENEWALS - The item is not eligible for any more renewals. Typically, two renewals are allowed.
 - ON HOLD - Another patron has a hold on the item, so it is not eligible for renewal
- You may also renew items over the telephone by calling 1-866-MY RENEW (1-866-697-3639). Have your library card number handy, as well as the the barcode numbers of the items you wish to renew.

To Renew Online

Go to the MORE homepage, click on My Account and log in to view your library account using your name (first or last) and library card number. You can access your account information by selecting your name in the upper right. You will be able to modify some of your personal information, view and renew your checked-out items, view the items you've requested (holds), view and pay fines online, view your reading history, preferred searches, lists, and e-book checkouts and holds from Wisconsin's Digital Library. **Particularly on public computers, be sure to log out after viewing your account.**
