Gardening with Kids: A Morning in the Garden
Join Ms. Caroline and volunteers from Grow to Share and UWRF for a morning in the garden. We'll have a storytime, take a tour of the garden, learn about Grow to Share and how to get started gardening with your own kids. Although this program is focused on children and families, all are welcome to come, learn and spend a morning in the garden. Grow to Share is located in Hoffman Park, in River Falls. Can't make it to the garden? Watch the live stream at bit.ly/EPLYouTube
