Spring Break Staycation
Not traveling for Spring Break this year? Make the Ellsworth Public Library your staycation destination! We kick off the week on Monday, March 2 celebrating Dr. Seuss and Read Across America with fun Makerspace activities and special Dr. Seuss read alouds. Other special crafts and activities are scheduled for each day. Coloring, doodles, games and puzzles are available every day. Refer to the calendar or pick up a schedule at the library.

Plant Swap and Adoption
Bring a plant (or two or three), take a plant! That is what you are invited to do at our plant swap on Wednesday, March 18 from 10:30 am - 12:00 pm. After our swap, any plants left will be available for adoption from 1:00 - 7:00 pm while supplies last. Bring some green into your home just in time for the Spring Equinox.

Mystery Quilt Reveal Show and Tell
The public is invited to join us for a very special 20th anniversary Mystery Quilt Reveal Show and Tell. Whether you are a quilter yourself or just an admirer, come view this year's Mystery Quilt projects as our participants share their creations and process. Get inspired and celebrate 20 years of mystery. Quilts will also be on display at EPL in April.

March 2026

This Month: Inspired by Youth Art

Keep an eye out for pop-up activities!

Always Available:
Coloring Pages and Drawing Materials
Board, Dice and Card Games

The Makerspace is closed 30-60 minutes before programs for set-up of materials.

The Makerspace closes 15 minutes before the library closes for cleaning.

This month we are gathering inspiration from the art created by youth featured in the ECSD All-School Art Show and providing projects that give you the opportunity to make art like these student artists! But first, we are making the Makerspace a Spring Break Staycation destination with special activities all week long.
